Dear Ms Cohen:

On behalf of the Metropolitan Region of the Division of Youth and Family Services, I would like to extend a very heartfelt "THANK YOU" to you and your members for providing toys for children in need. I know that each new toy will give a child something positive during this holiday season. I cannot begin to tell you what these gifts will mean for children who have so little during a very difficult time in their lives.

I appreciate the thought and effort that went into this project, and the commitment that you have made to the children of New Jersey.

Sincerely,

Robert Sabreen
Regional Administrator
